

MONTANA METH PROJECT

Montana Meth Project Announces Dream Getaway Raffle

Chance to win one of four exclusive prize packages at Montana landmarks

MISSOULA, Montana—December 2, 2008—The Montana Meth Project today announced the Dream Getaway Raffle. Montanans can purchase raffle tickets for \$250 anytime between today and January 16, 2009, and will be entered into a drawing to win one of four exclusive prize packages. Proceeds will support the Montana Meth Project's statewide prevention program, which is credited with reducing Meth use among teens by 45% and Meth-related crime by 52% in three years. The raffle is only open to legal residents of Montana, 18 years of age or older.

Those who purchase raffle tickets will have the chance to win the following prizes:

- Dr. Jack Horner's Dinosaur Dig
 - A two night, three day dinosaur dig north of Ruidyard for a group of four hosted by the world's foremost paleontologist, Dr. Jack Horner. Explore fossils alongside Dr. Horner and his colleagues as members of this scientific expedition.
- Warren Miller's Big Sky Ski Getaway
 - A lucky winner and three guests will enjoy a day skiing at the exclusive, members-only Yellowstone Club ski resort with film legend Warren Miller. This prize package also includes two nights lodging and two day lift passes for four at the Big Sky Resort.
- Rock Creek Cattle Company's Golf Getaway
 - Experience two rounds of golf for four on the Tom Doak Golf Course at the Rock Creek Cattle Company in Deer Lodge. After golfing, winners will enjoy a gourmet dinner at the Cattleman's Club and one night's lodging.
- N Bar Ranch Elk Hunt
 - Two lucky sportsmen will win a three day elk hunt on the N Bar Ranch in Grass Range. Valid Montana hunting licenses and necessary tags required.

For more information and to purchase raffle tickets, call 888-366-6384 or visit www.montanameth.org.

About the Montana Meth Project

Launched in September 2005, the Montana Meth Project, a not-for-profit organization headquartered in Missoula, Montana, implements a range of advertising and community action programs to reduce methamphetamine use in the state. Combining extensive research with a hard-hitting, integrated media campaign, it has been repeatedly cited as an effective response to a devastating social problem.
